

# Smoke-free Housing

Healthy  
Legal  
In Demand

## Why OFFER IT!

- Smoke-free residential buildings reduce fire risk and insurance rates
- Your cost to refurbish a smoke-free unit is much lower than a unit with regular smoking
- Only 1 in 5 adults smoke. A majority of tenants in apartments, condos and co-ops want to live in smoke-free buildings
- Transition your building or condo to smoke free with a No Smoking clause in new tenant leases

## We can help.

Call Health Connection at 705-721-7520 or 1-877-721-7520 or email us through our website at [simcoemuskokahealth.org](http://simcoemuskokahealth.org)

# Smoke-free Housing

Healthy  
Legal  
In Demand

## Why **ASK FOR IT!**

- No Smoking buildings protect you and your family
- Smoking is the leading cause of fatal home fires and breathing secondhand tobacco smoke is unsafe
- Talk to your landlord about making your building No Smoking
- Moving or buying? Choose an apartment, townhouse or condo complex with a No Smoking policy
